

PRODUCT NUMBER: 743

Dermatril P 743

Dermatril® P 743 is a 28 cm long disposable glove according to EN374 with a thickness of 0.2 mm. The chemical as well as the mechanical resistance is higher compared to Dermatril® 740. Therefore, this glove can be used for a longer period and offers protection against a larger chemical spectrum. Dermatril® P 743 glove is approved for food handling and processing according to EU 1935/2004.

Overview

Reference Number

743
